# DIRECTIONS/ TRANSPORTATION

## BY AIR

Both the Key West and Marathon airports have commercial and charter service, plus rental service. American Eagle, Cape Air, Yellow Air Taxi, Continental Connection, Delta Connection and US Airways Express provide service to Key West. Delta Airlines and SeaCoast Airlines provide service to Marathon. The Marathon airport is approximately 110 miles south of Miami; Key West airport, 158 miles. For specific flight information contact the Marathon airport at (305) 743-2155 or the Key West airport at (305) 296-5439.

## BY LAND

A leisurely drive from Miami. Bypass the traffic of the City of Miami by taking I-95, I-75, or FL-836 to the Florida Turnpike, south to the Overseas Highway. Card Sound Road offers an alternate route to Key Largo. Greyhound Bus Lines (1-800-231-2222) and The Keys Shuttle (305-289-9997) serve the Florida Keys, Miami Int'l. Airport, Marathon airport and Key West airport. Once you arrive in the Florida Keys, you may not need a car. In Key West you can park at the Park-n-Ride garage at 300 Grinnell Street in Old Town. You'll do and see more on foot. Potential RV Camping visitors should consult with our RV Camping grounds for advanced reservations.

## BY SEA

Sail through America's Caribbean. All channels are well-marked. Marinas abound. And dock space is available.

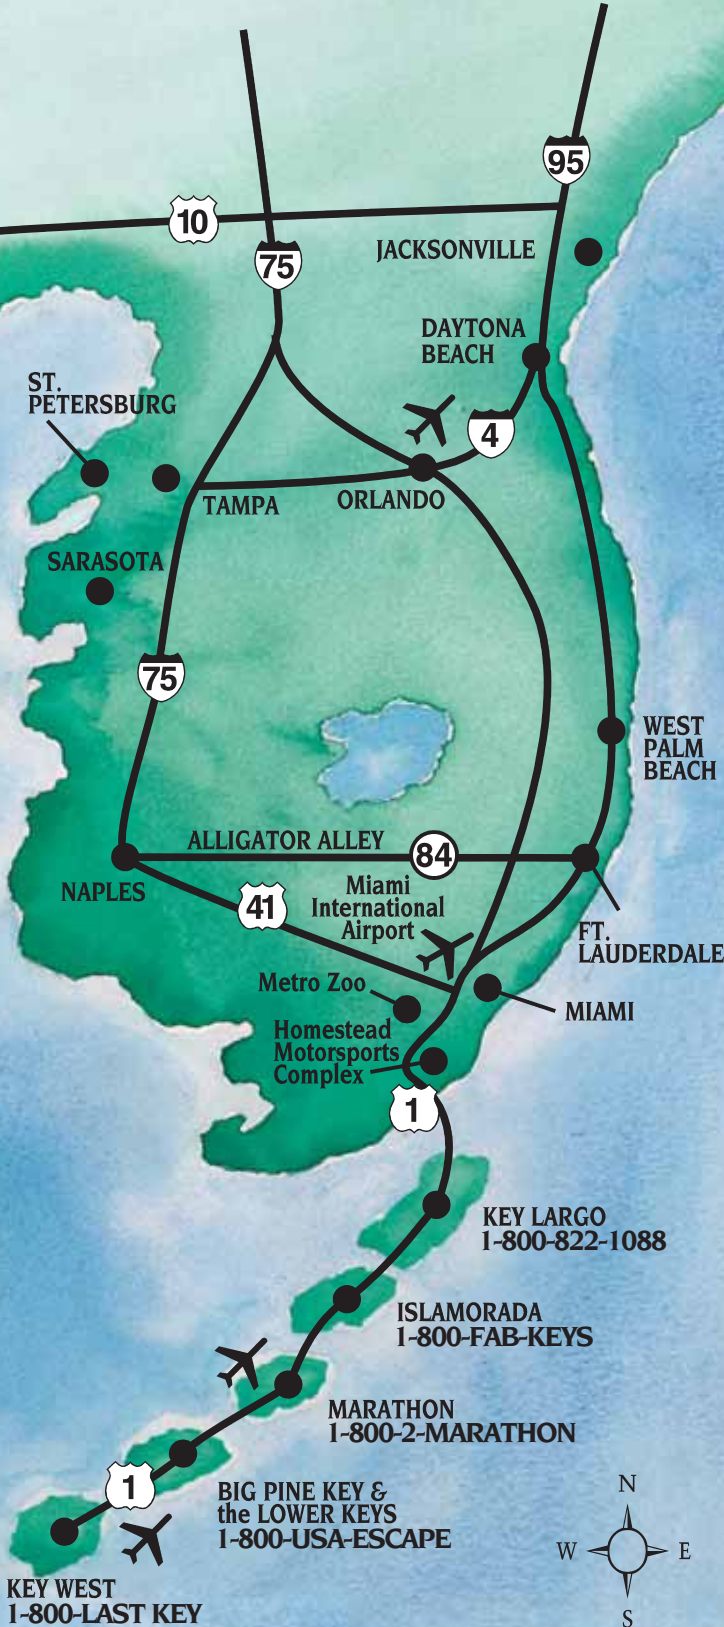

## A MARKER FOR EVERY MILE

Down here in the Keys, the Overseas Highway is like our Main Street. And the best way to get around is to know the mile marker of your destination. These little green signs that dot our highway every mile begin just south of Florida City with number 127 and run all the way down to zero in Key West. They're like our addresses. If you know the mile marker of where you're going, getting there is easy.

## ALTERNATIVE TRANSPORTATION

Once you are in the Florida Keys, please consider using alternative means of transportation. The Greyhound Keys shuttle runs the length of the destination. Each area has limousines and shuttles to help you get around. Some fishing charter captains will even pick you up at your hotel. In Key West you can use convenient public transportation, taxis, pedi-cabs, tour trains, trolleys, bicycles or even your own two feet to see the sights.

# THE FLORIDA KEYS

Most people know the Florida Keys and Key West as a great getaway. One of the most unique places on earth. Calm. Serene. Laid back. Just the right setting to recharge your batteries and rejuvenate your spirits.

But a getaway to the Florida Keys and Key West is much more than peace and quiet. And not just because of the legendary fishing and the world's most spectacular dive sites.

The Keys mean history. Art. Theater. Museums. Shopping. Fine dining. Entertainment. And much more. All told, 120 miles of perfect balance between natural beauty and extra-ordinary excitement. Between relaxation and activities. Between the quaint and the classic.

And you'll find our accommodations just as diverse as our pleasures. From some of the best camping spots in the country to luxurious hotels. From charming bed-and-breakfasts to rustic, family-owned lodgings. In other words, we've got something for everyone.

In the next few pages you'll get to know what your Florida Keys vacation can and will be like. What you'd expect. And what will surprise you. Our fame and our secrets. We figured we owed it to you.

After all, we wouldn't want you to get here and wish you had booked just a few more days.

# KEY LARGO

The moment you leave the mainland and cross into Key Largo, you'll want to kick off your shoes and put your bathing suit on. And that's just the perfect attire. Because Key Largo is the Diving Capital of the World. America's most dazzling underwater parks and reefs are waiting for you here. From John Pennekamp State Park and the National Marine Sanctuary, to the crystal clear waters of Molasses Reef and the underwater caves of the French Reef. You can also explore the 510' U.S.S. Spiegel Grove, which is one of the largest wrecks ever in divable U.S. waters. And if you want to take a break from diving, we've got great fishing here too.

But there's plenty more to do onshore. Like a family outing to Harry Harris Park. A visit to Dolphins Plus or Dolphin Cove where you can actually go swimming with these friendly and highly intelligent mammals. Or breathtaking ventures into the Everglades, which just happens to be in our backyard.

You can also journey back to a simpler time in historic Tavernier and explore railroad stations, churches, pioneer homes, a school, and family-owned stores from the turn of the century. Or experience a bit of old movie magic checking out Bogey's "African Queen" and locations where scenes from Key Largo and PT 109 were shot.

For more information on Key Largo, visit the Chamber of Commerce at mile marker 106. Or simply call 1-800-822-1088. You can also e-mail us at [info@keylargochamber.org](mailto:info@keylargochamber.org) and visit our web site [fla-keys.com/keylargo](http://fla-keys.com/keylargo)

# I S L A M O R A D A

Imagine. Two oceans full of the world's most sought-after gamefish. Marlin, tuna and dolphin in our Atlantic. While the backcountry offers a grand slam shot at permit, tarpon, and bonefish. You're now in Islamorada, the Sport Fishing Capital of the World.

The variety of fish we have in our waters makes Islamorada a favorite of divers too. But here you can also catch fish on dry land. Like acrobatic dolphins and other deep sea stars at the Theater of the Sea, on Windley Key. Or cast your sight at the colorful collection of arts, crafts and other island treasures in the shops and galleries at Rain Barrel, on nearby Plantation Key.

Perhaps you'd like to pick your own camping site, grab a fishing pole and kick back at Long Key State Park. Or explore the wild tamarind groves and Mexican sisals planted by Henry Perrine in Indian Key Historical Site. And if you feel daring, drop by Lignumvitae Botanical Site and ascend to the highest elevation in all the Keys - a dizzying 18 feet.

To learn more about Islamorada or anything else here, stop by the Chamber of Commerce at mile marker 82.1. Or dial 1-800-FAB-KEYS. You can also e-mail us at [info@islamoradachamber.com](mailto:info@islamoradachamber.com) and visit our web site [fla-keys.com/islamorada](http://fla-keys.com/islamorada)

# MARATHON

Fly into our airport and you're landing right in the Heart of the Keys. A place where pirates once roamed. Where the diving is clear and inviting. And fishing means record-breaking trophies.

Archeological digs at Crane Point Hammock have revealed seven centuries of visitors, residents and natural treasures. And at the Museum of Natural History you can hike on nature trails that date back hundreds of years and enjoy a variety of exhibits and special events.

The Dolphin Research Center, on nearby Grassy Key, was once the site of Flipper's Sea School and where Flipper's original 1950's movie was shot. And while much of Henry Flagler's railroad to Key West was destroyed by a hurricane, when you travel along our historic Seven Mile Bridge (which is actually 6.9 miles), you're driving where Flagler's mighty locomotives once roared.

Of course, your visit here wouldn't be complete without checking out the old conch houses on Pigeon Key, which is only accessible from the old Seven Mile Bridge. Or a nice, refreshing dip in the inviting waters of Sombrero Beach.

Yes, Marathon is not only in the Heart of the Keys, it has more than plenty to steal your heart.

For more information on Marathon, drop by the Chamber of Commerce at mile marker 53.5. Or call 1-800-2-MARATHON. You can also e-mail us at [visitus@floridakeysmarathon.com](mailto:visitus@floridakeysmarathon.com) and visit our web site [fla-keys.com/marathon](http://fla-keys.com/marathon)

# T H E L O W E R K E Y S

It's real. And breathtaking. The kind of natural beauty that doesn't exist anywhere else. From our pristine waters to the spectacular Great Heron National Wildlife Refuge.

Put on your gear and explore the incredible artificial reefs of the Looe Key National Marine Sanctuary, named after the HMS Looe which ran aground here in 1744. But while you marvel at certain reefs that nearly break the surface, please remember not to touch them. They're protected.

The Key Deer National Wildlife Refuge is home to several hundred miniature deer. If you want to see them, the best times are early morning and dusk. If you want to capture one, don't forget to bring your camera.

Of course, the fishing here is outstanding, especially in our huge backcountry. And so is kayaking and canoeing the inland waters at Watson's Hammock. And if you want to find out what a gorgeous beach is really all about, visit Bahia Honda State Park and its camping areas, cabins, marinas and picnic grounds.

For more information on Big Pine Key and the Lower Keys, visit the Lower Keys Chamber of Commerce at mile marker 31. Or simply dial 1-800-USA-ESCAPE. # KEY WEST

Whether you drive or fly into Key West, one thing's for sure: there's simply no place quite like it. An island city of palm-lined streets boasting Victorian homes, gingerbread conch houses and mansions on the National Register.

John Audubon and Ernest Hemingway lived here. One had a passion for preservation. The other, a great zest for living. And that combination gives Key West its unique personality. The moment you get on world-famous Duval Street, in Old Town Key West, you do more than feel the ambiance. You become a part of it.

Sure, Key West is dive shops and charter boats. And glorious sunsets. But it's also a Bahamian Village. Historic Forts. Lighthouses. Theaters. Museums. Galleries. Festivals. Markets. Sidewalk cafes. Legendary pubs. Even Truman's Little Whitehouse. (For a comprehensive listing, please see Attractions page.)

At Key West you can buy a postcard or a famous handprint. You don't need a car. Tour the city on foot or by trolley. Mingle with some of the world's most fun-loving characters. And find some of the best-made cigars and aloe products anywhere.

Key West is unique. And unspoiled. A feast for your heart and your soul. In short, if you're planning on visiting Key West, plan on staying longer than anticipated.

To learn all about Key West, stop by the Chamber of Commerce at 402 Wall Street in Old Town. Or call 1-800-LAST-KEY. You can also e-mail us at [info@keywestchamber.org](mailto:info@keywestchamber.org) and visit our web site [fla-keys.com/keywest](http://fla-keys.com/keywest)

# DIVING & SNORKELING

The beauty and diversity of the underwater experience in the Florida Keys have made this the world's most popular dive destination. In fact, the Keys have been protected by designation as the nation's only tropical marine preserve, the *Florida Keys National Marine Sanctuary*.

Key Largo is home of the famed *John Pennnekamp Coral Reef State Park*, the *Key Largo National Marine Sanctuary* and the 510 foot U.S.S. *Spiegel Grove* — one of the largest wrecks in divable U.S. waters. *Molasses Reef* is the world's most popular dive site for it's consistently clear water, amazing hordes of tropical fish and easy access. With out-stretched arms seemingly welcoming scuba enthusiasts, the submerged *Statue of Christ of the Abyss* is a Key Largo icon.

The entire Florida Keys are rich with wreck dive opportunities, including the 327 foot U.S. Coast Guard Cutters *Bibb* and *Duane* off Key Largo, the 287 foot freighter *Eagle* off Islamorada, the 188 foot *Thunderbolt* off Marathon, the 210 foot *Adolphus Busch, Sr.* off the Lower Keys and Key West's favorite wrecks, the 187 foot *Cayman Salvager* and the perfectly upright *Joe's Tug*. All of these ships are within easy depth ranges for sport divers and now host incredible resident populations of marine life. And we'll soon be adding to our underwater armada with the sinking of the 524 foot USAF *Vandenberg* in 2008.

Yet, it is the natural reefs of the Florida Keys that inspire the greatest awe among visiting divers. From the immense schools of grunts and snapper off *Davis Ledge* and *Alligator Reef* in Islamorada, to the dramatic coral canyons of Marathon's *Sombrero Reef* and *Coffin's Patch*, to the lush beauty and incredible diversity of the Lower Keys' famed *Looe Key National Marine Sanctuary*, to the majesty of the spur and groove coral formations decorating Key West's *Sambo Reefs*, the Florida Keys and Key West have it all!

Come and fish in the waters of the Florida Keys & Key West where fishing legends were born. Ernest Hemingway fished the waters of the Florida Straits between Cuba and Key West for giant blue marlin. Zane Grey applied his angling and writing skills to the in-shore and backcountry of the Florida Keys, landing sailfish and giant tarpon. Just a few of the 225 species of gamefish that prowl the crystal clear waters of the Florida Keys.

But you don't have to be a legend or a writer to enjoy the thrill of big game fishing year round in the Keys, just bring your boat on down or charter one of ours. Charter boats and guides are available to introduce you to one or more of our natives that bite. Deep sea fishing experienced captains are waiting to take you into the Gulfstream just minutes away from the dock where you can test your angling skills against the sailfish and marlin. Backcountry guides have staked out the flats where tarpon and bonefish await the anglers preferring to use light spin or fly tackle or perhaps a party boat that offers a day or night fishing trip to the pristine coral reefs for snapper or grouper.

Remember you don't have to be a legend or a writer to enjoy big game fishing in the Florida Keys, but you may run the risk of becoming a legend in your own time.

Dumping trash at sea is illegal; plastic bags & other debris can injure or kill marine animals. Try to retrieve fishing gear & equipment, especially monofilament line.

Accidental boat groundings damage the reef. Prop damage destroys shallow seagrass beds. Consult tide and navigational charts & steer clear of shallow areas. Remember, "Brown, brown, run aground. Blue, blue, sail on through."

Use reef mooring buoys or anchor in sandy areas away from coral & seagrasses so that anchor & chain do not damage the coral or seagrass beds.

Use sewage pump-out facilities, biodegradable bilge cleaner and never discharge sewage or bilgewater at the reef.

Practice good seamanship and safe boating. Maintain safe distances from fishermen. Observe size & catch limits; release all fish you can't eat.

Avoid wildlife disturbance; stay 200 feet or more offshore; keep speed, noise & wakes to a minimum near mangroves.

Imagine a place where you can battle a sailfish in the morning and enjoy a live play at night. Where you can explore a marine sanctuary one day, and original artworks the next. Where music naturally belongs, be it Buffett or Bach.

Theatre lovers will love it down here. Key West gives you plenty of choices with three theatres. The Marathon Community Theatre presents stellar comedies, dramas and musicals throughout the year. And the Key Players will entertain you with a variety of tautly produced shows in the Upper Keys.

Art lovers will be pleasantly surprised at the caliber of the resident artists – a wealth of styles and techniques creating works with a flare and freshness that's uniquely Florida Keys. From paintings to sculptures, the work is innovative, captivating and unique.

Then there's the music. Not one type, but all. From Amadeus to ZZ Top. So you can just as easily let loose in one of our pubs, as lose yourself in a vibrant symphony.

Whether it's a play, a concert or the perfect painting for the foyer, The Florida Keys & Key West will dazzle you with a variety of cultural venues that are as impressive as they are unexpected.

# H I S T O R Y

Over the years, the Florida Keys & Key West have been home to Calusa Indians, Spanish explorers, English pirates and American presidents. Plus quite a parade of authors, artists, entrepreneurs and smugglers. This colorful past is not hidden in nooks and crannies; it's openly displayed along one main road: the Overseas Highway.

As you travel through the Florida Keys & Key West you can visit historical monuments and landmarks. Museums and fortresses; even the settings for movies like "Key Largo," "Flipper" and "P.T. 109." We're also the proud home to one of history's great engineering feats: The Overseas Railroad, which reached Key West in 1912, and included the famous Seven Mile Bridge – once the longest over-water bridge in the world.

Restoration, renovation and preservation have become a way of life in the Florida Keys. Key West, alone, has over 2,500 historic buildings. Including the Hemingway House, the Audubon House and Harry Truman's Little White House Museum.

In short, there's substance here. And depth. But more than anything else, what gives the Keys its historical importance is the spirit of the people who battled against all odds to create this little piece of heaven on earth. A place where, as history shows, you're always welcome to come as you are.

And be sure to dive San Pedro Underwater State Park, the site of a 1733 shipwreck, where cannon replicas, trails, coral formations and schools of tropical fish make an interesting shallow water dive spot.

There are lots of places to shop in Islamorada, especially for paintings, wood carvings and jewelry. You can even see the artists and craftspeople working on their creations daily.

You can also visit a maritime museum, swim with dolphins, watch dolphin and sea lion shows, visit a geological site and do much more while you're here. [fla-keys.com/islamorada](http://fla-keys.com/islamorada) [info@islamoradachamber.com](mailto:info@islamoradachamber.com)

**Marathon Chamber of Commerce, 12222 Overseas Hwy.,  
Marathon, FL 33050 (305) 743-5417/1-800-262-7284**

Perhaps the most famous sight in Marathon is the Old Seven Mile Bridge which connects Marathon to the Lower Keys and is the home to the Seven Mile Bridge Run and the world's longest Fishing Pier. And don't forget to take a tram to Pigeon Key for a trip into history.

Archaeological digs and many natural treasures can be found in the densely wooded, 64-acre Crane Point Hammock botanical preserve. Marine touch tanks, tropical fish feeding and a nature trail await you at the Museum of Natural History and Children's Museum.

For a truly remarkable dolphin encounter, complete dolphin insight, dolphin lab, educational walking tours and more, Marathon has no equal. And don't forget to bring your golf clubs for some championship golf, Marathon style. ## Lower Keys, Chamber of Commerce, MM 31/ Overseas Hwy.,

### Big Pine Key, FL 33043 (305) 872-2411/1-800-872-3722

In the most ecologically minded portion of the Keys, you can do a lot that's at peace with nature. Like spending the day at Bahia Honda State Park, recently named one of the top 10 beaches in North America, with its marina, dive shop, cabins and camp sites.

Then, there's Coupon Bight State Aquatics Preserve which separates the mainland from an oceanside peninsula. And Great White Heron National Wildlife Refuge, home to many migratory birds in the winter and providing protection to rare and endangered species.

Dive the popular Looe Key National Marine Sanctuary, or the Adolphus Busch, Sr. which rests between American Shoals & Looe Key. See the miniature Key Deer at National Key Deer Refuge, a 2,100-acre refuge on Big Pine Key. And take a kayak tour in the popular nature preserve of Watson's Hammock. ## Key West Chamber of Commerce, 402 Wall Street,

### Key West, FL 33040 (305) 294-2587/1-800-527- 8539

Everything you can imagine you can do in Key West. You can take a mini train or a trolley to get an overview of the attractions before you decide what you want to explore in-depth.

There's a Bahama Village with restaurants, bars, shops and the annual Goombay Festival.

You can see the works of John Audubon in the 19th Century restored home of Captain John H. Geiger. You can picture Ernest Hemingway at his typewriter transferring brilliance to paper. Tour Victorian mansions and gingerbread houses.

There are an ample variety of museums you can lose yourself in. Ranging from treasure finds, to art and historical museums, African-Bahamian museums, train and transportation museums, even an AIDS memorial. All revolving around tidbits of Key West history. Plus a slew of historical sights, including the Key West home of President Harry Truman, Civil War forts, a 90-foot lighthouse, the highly peculiar headstones of the Key West Cemetery, the recently restored Custom House, the Botanical Garden and the new Pirate Soul Museum.

You can rent a sailboat at Higgs Beach, go parasailing over Smathers Beach, play a challenging round of championship golf, watch a thrilling shark feeding and stand at the point furthest south in the Continental United States.

You can get some of the best aloe products anywhere, watch cigars rolled by hand or handprints made right before your eyes, and find original Key West artwork or gifts from around the world.

If you love the theater, Key West will satisfy you with fine performances. And art lovers will be astounded at the marvelous finds in the numerous Key West galleries.

Of course, Key West is the perfect place for fishing and diving with a slew of charter boats and some of the most knowledgeable captains you can hope for. You can also visit our Florida Keys Eco-Discovery Center where you'll find interactive exhibits on how to protect our National Marine Sanctuary.

And then, there's Key West's most renown attraction: The amazing Sunset celebration every night at Mallory Square with mimes, jugglers, trained cats and a never ending variety of street entertainers. We even have a "believe it or not." [fla-keys.com/keywest](http://fla-keys.com/keywest)

Accommodation listings are for use as a guide for contacting properties. Every effort has been made to ensure accuracy, but verification of information should be made when making reservations. Rates subject to change during holidays, special events and according to room availability. Neither the Monroe County Commission, Monroe County Tourist Development Council, nor their agency may be held liable for incorrect information, errors or omissions.

Monroe County requires a special vacation rental permit for most properties other than motels, hotels and RV parks that are rented for periods less than twenty-eight days. Visitors expecting to stay for less than twenty-eight days are encouraged to ask whether the property is specially permitted. State Statutes require motels and hotels to provide at least 5% of the guest rooms with certain handicapped accessibility criteria. Visitors are encouraged to discuss specific handicapped accessibility needs with the individual establishments.

Accommodation listings are for use as a guide for contacting properties. Every effort has been made to ensure accuracy, but verification of information should be made when making reservations. Rates subject to change during holidays, special events and according to room availability. Neither the Monroe County Commission, Monroe County Tourist Development Council, nor their agency may be held liable for incorrect information, errors or omissions.

Monroe County requires a special vacation rental permit for most properties other than motels, hotels and RV parks that are rented for periods less than twenty-eight days. Visitors expecting to stay for less than twenty-eight days are encouraged to ask whether the property is specially permitted. State Statutes require motels and hotels to provide at least 5% of the guest rooms with certain handicapped accessibility criteria. Visitors are encouraged to discuss specific handicapped accessibility needs with the individual establishments.

Accommodation listings are for use as a guide for contacting properties. Every effort has been made to ensure accuracy, but verification of information should be made when making reservations. Rates subject to change during holidays, special events and according to room availability. Neither the Monroe County Commission, Monroe County Tourist Development Council, nor their agency may be held liable for incorrect information, errors or omissions.

Monroe County requires a special vacation rental permit for most properties other than motels, hotels and RV parks that are rented for periods less than twenty-eight days. Visitors expecting to stay for less than twenty-eight days are encouraged to ask whether the property is specially permitted. State Statutes require motels and hotels to provide at least 5% of the guest rooms with certain handicapped accessibility criteria. Visitors are encouraged to discuss specific handicapped accessibility needs with the individual establishments.

Accommodation listings are for use as a guide for contacting properties. Every effort has been made to ensure accuracy, but verification of information should be made when making reservations. Rates subject to change during holidays, special events and according to room availability. Neither the Monroe County Commission, Monroe County Tourist Development Council, nor their agency may be held liable for incorrect information, errors or omissions.

Monroe County requires a special vacation rental permit for most properties other than motels, hotels and RV parks that are rented for periods less than twenty-eight days. Visitors expecting to stay for less than twenty-eight days are encouraged to ask whether the property is specially permitted. State Statutes require motels and hotels to provide at least 5% of the guest rooms with certain handicapped accessibility criteria. Visitors are encouraged to discuss specific handicapped accessibility needs with the individual establishments.

Accommodation listings are for use as a guide for contacting properties. Every effort has been made to ensure accuracy, but verification of information should be made when making reservations. Rates subject to change during holidays, special events and according to room availability. Neither the Monroe County Commission, Monroe County Tourist Development Council, nor their agency may be held liable for incorrect information, errors or omissions.

Monroe County requires a special vacation rental permit for most properties other than motels, hotels and RV parks that are rented for periods less than twenty-eight days. Visitors expecting to stay for less than twenty-eight days are encouraged to ask whether the property is specially permitted. State Statutes require motels and hotels to provide at least 5% of the guest rooms with certain handicapped accessibility criteria. Visitors are encouraged to discuss specific handicapped accessibility needs with the individual establishments.
