Welcome To Gay Key West

Our lush tropical island has fascinating architecture, friendly people, a rich history, and plenty of activities to keep you engaged or help relax.

Filled with a funky charm, Key West is a sophisticated place with amazing restaurants, diverse entertainment, eclectic art, professional theatre, and live music that includes salsa, show tunes, disco, country, opera, and classical. Our gay and lesbian guest houses are legendary, and our mainstream hotels and inns are always All Welcome.

Drag shows, commitment ceremonies, water excursions, late night parties, beaches, and clothing optional resorts make our island the preeminent LGBT vacation choice. But the best part about our town is our open and accepting attitude. "One Human Family" is our city motto, and our closets are only used for our costumes!

Whether you are looking for a romantic retreat or decadent fun, you can find it here in Gay Key West where we throw a party 365 days a year.
